Identified risks must be reported to either a Club or Meet Official and formally reported to the facility operator.

All accidents must be formally reported.

General

1. By law all facilities are required to have a Safety Statement in operation. Clubs and Meet Organisers should satisfy themselves that this is the case.
2. Any accidents, however minor, must be reported to UAE Swimming Federation (completion of the Standard Accident Report Form).
3. All volunteers who assist at Dubai International Events are advised to read the UAE Swimming Federation Safety Statement which is available upon request.

Clubs

1. All Clubs should obtain and read a copy of the Safety Statement of the pool they are hiring.
2. It is recommended that Clubs identify risks and formally report them in writing to the relevant personnel at the facility.

Meets

(Club, Regional and National)

1. Following a meet at which an incident/accident occurred, the Organiser and Race Referee must complete a Meet Accident Report Form and include their contact details.
2. All who attend meets are urged to report any accidents to either the Meet Organiser who immediately reports to the Race Referee or to the Referee directly. Where an accident occurs,
3. "Safety at Swim Meets" must be included in all Programmes for all Meets run under UAE Swimming Federation rules.
4. Officials should be advised to report any concerns they have over possible risks at the facility and to ensure that reporting procedures are followed.
5. Under World Aquatics Law the Referee is in total control of all persons attending the meet and the Referee should take all reasonable steps to ensure their safety.

Safety at Swim Meets

All accidents, however minor must be reported, in writing, to UAE Swimming Federation.

We would ask the co-operation of swimmers, coaches, spectators and clubs in the application of the following safety measures which are in place for everyone's safety:

1. General:

i. Everyone attending Meets must familiarize themselves with the locations and operation of emergency exits.

ii. Anyone observing anything they consider to be a safety hazard should report it to a Meet Official.

iii. All persons attending Meets must take all steps to ensure their own safety and the safety of others.

iv. All walkways must be kept clear of bags, equipment, etc.

2. *Starting:*

i. It is the responsibility of competitors, coaches and clubs to ensure that all swimmers are sufficiently competent to dive start from competition starting blocks. Alternatively, swimmers are reminded that they may start from the poolside.

ii. In the event of a false start, swimmers should perform a safe entry and not fall into the water.

3. Warm-Up:

i. Swimmers and coaches must ensure that they (and swimmers in their charge) take no action that would endanger themselves or others.

ii. The instructions of those in authority must be obeyed immediately.

iii. Swimmers are not permitted to dive or jump into lanes other than sprint lanes and then only when the area is sufficiently clear to make a safe entry.

iv. Do not start sprinting in a sprint lane until non-sprinting swimmers have cleared it.

v. On finishing a sprint immediately clear the way for the following swimmer(s).

4. **Around the Pool** (e.g., spectator area, foyer area, etc.)

Swimmers are not permitted to enter dry areas without first having changed and put on footwear.

i. Where there is a balcony or rail - swimmers are not permitted to climb over it.
